

Gift box "Stars of the North"

In this box you'll find a small selection of chocolate specialities from Europe's north. The typical aromas of sea salt, liquorice, blueberries and cardamom are reminiscent of white nights, enchanted forests and fresh yeast pastries.

The gift box consists of the products listed below, a sturdy box made of black corrugated cardboard, paper filling material and a gift bow. Our boxes are wrapped in cellophane foil. Each gift box comes with one of our CHOCO DEALER postcards to write on.

You want to send the gift box directly to the recipient and still leave a greeting? No problem, just write the desired greeting in the notes when paying and we will lovingly and neatly label your card.

Included are:

- Liquorice Krunch balls from OMNOM
- Sea Salted Almonds chocolate from OMNOM
- Wild Blueberry chocolate from GOODIO
- Cardamom chocolate from The Swedish Cacao Company
